

CONCORDIA UNIVERSITY

I am responsible for repaying any funds that I receive which cannot reasonably be attributed to meeting my educational expenses related to Concordia. I further understand that the amount of any repayment is based on federal regulations.

- If you do not need the maximum amount of the Federal Subsidized/Unsubsidized loan(s) awarded, draw a line through the amount and write in the lesser amount desired. The Federal loan processor retains 1.059% of the loan at the time of disbursement.
- I authorize the Financial Aid Office to discuss my application and my financial situation with and provide necessary academic information to, public or recognized private agencies which may also be considering me for financial aid.
- I agree to provide further information or any documentation relating to financial aid, which is requested. In addition, I affirm that any funds received under the Federal Pell Grant, Federal Supplemental Grant, Federal College Work Study, Federal Stafford Loan or Federal PLUS Loan Programs, will be used solely for expenses related to attendance at Concordia University.

As a recipient of student financial aid, you may be receiving funds from federal, state, institutional, or private agencies. The acceptance of this financial aid award signifies that you have read, understood, and are aware of the obligations and responsibilities contained in this guide. **Also, you are permitting Concordia to monitor all financial assistance you may receive including earnings from employment. The amount of your assistance should not exceed your assessed financial need. If it does, your financial aid may be adjusted to eliminate an ‘over award’ situation.**

Responsibility of Recipients Read this *Information for Financial Aid Recipients* carefully. You are responsible for this information regarding your award.

Credit Hour Requirement (undergraduates) Unless stated otherwise on the award letter, your award was made assuming that you will be enrolled for at least twelve credit hours each term (full time). If you will be less than full time, your award may either be canceled or revised to a lesser amount depending on the requirements of the aid program. If you intend to drop a course or withdraw, you should discuss with a financial aid officer the possible impact on your aid. Only a Pell Grant is available if you enroll for less than six credits in a semester.

Types of Aid Significant differences occur among the types of financial aid you may receive. If you have a loan, you must have signed a promissory note which is a legally binding promise to repay the loan during the years following graduation. A grant or scholarship is considered gift aid which you do not earn or repay unless you withdraw during the semester. A campus employment award indicates an opportunity to earn money on campus while you are attending school.

Campus Employment If an amount is shown for employment, it is the maximum you may earn during the school year. There is no guarantee that you will earn the amount indicated since you will be paid every other week for actual number of hours you have worked. You should keep record of your earnings so you will know your cumulative earnings in relation to the maximum you may earn. Be sure to contact your supervisor for scheduling as soon as you arrive on campus in August.

Subsidized or Unsubsidized Federal Direct Student Loans Generally, it is necessary to borrow to finance part of your education. You may borrow up to the amount(s) shown on your award letter from the subsidized or unsubsidized Federal Direct Student Loan programs. The

Concordia does not endorse any alternative lender and encourages students to be good consumers and select a loan that best fits their needs. We do provide a website that lists the lenders that students have used over the past three years. You can use this site to compare and search for the lender that will best fit your needs. You are not limited to the lenders on this list and we will gladly work with any lender a student wants to use. Feel free to use the link below or follow the steps listed to access it through your
